ORIGINAL COMPLAINT

Corey Blocker makes this original complaint, for this court's record and on this court's record. Corey Blocker makes this original Complaint under rule Section 600.6434 of the Michigan Legislature. Corey Blocker brings this case also for the violation of Corey Blocker's Due Process clause, which further violates Corey Blocker's Constitutional and civil rights. Corey Blocker's Due process clause, and Constitutional, and civil rights have been violated by the defendants with the executive orders being enacted by the National Emergency ~~and~~ the country commonly known as the United States by the United States of America. Corey Blocker has brought this matter in many cases to this court with this court not providing Corey Blocker his Due process clause, which violates Corey Blocker's constitutional and civil rights. Therefore the fact that Corey Blocker now has proof beyond a shadow of a doubt, of how Corey Blocker's Due process clause was violated by the defendant Judge Carol W. Koenig on August 5 2020 in case # 97-93136. Corey Blocker does not need any more evidence to prove to an unbiased juror that Corey Blocker case has merit as all his cases have. Corey Blocker will provide a copy of the P.R. Bond that he was forced to sign under duress, for a bogus warrant on a failure to appear. Even though said warrant had no Judge signature on it. There is also the fact that Judge Carol W. Koenig also denied Corey Blocker's Due process clause by not allowing Corey Blocker's motion to dismiss said case and for a F.O.C. in the amount of \$15,000.00 plus Interest.

Which furthermore proves me, fraud upon the Court that has been going on in Corey Blocker's cases. Then there is the fact that the defendants have denied Corey Blocker's due process clause by denying Corey Blocker his grants, and loans, Michigan Unemployment Tax returns for 2019, 2020 stimulus check, car grant housing. The list can go on, not to mention the fact Corey Blocker could be working right now but because the defendants are determine to cause Corey Blocker undue hardship the defendants have even cost Corey Blocker his dog. Therefore Corey Blocker again, request 6 Trillion as payment for pensatory and punitive damages. Corey Blocker also states for the record that this Court must strike down the National Emergency the defendant Joseph R. Biden sign into law and all future National Emergencies to go back under constitutional law so the crimes that are and have been committed the defendants can be prosecuted for. IF this Court commits treason against interstate Commerce again further proves the U.S Constitution is invalid and this land must be given back to the Original aboriginal people. Which via Christopher Columbus logs is the dark brown skin people. Therefore if Corey Blocker is not also granted a permenate in Section against the defendants immediately for the strong arm extortion the defendants are committing. and granted all the money owed to him by the SBA, IRS, Michigan Unemployment Agency, Department of Human Services, Michigan Housing Authority and the Ingham and Eaton County Friend of the Court. Furthermore proves beyond a shadow of a doubt fraud upon the Court by this Court. Now for the truth which is Isaiah chapter 10: Versus 1 through 6, and to you my God that is Just and Righteousness I want to first thank you

For being you, and making me, me. Because this fight that you graced me the opportunity to stand and prove your love and Goodness, I Corey Blocker do not take lightly. Therefore no matter what the wicked bring God Keep giving me the strength to stand and bare my Cross to bare in your name
Amen
